STAT

Dear [redacted]

STAT

It is with special pleasure that I inform you that you have been awarded the Intelligence Medal of Merit in recognition of your significant contributions during your distinguished career. As you no doubt will recall, the Intelligence Medal of Merit is awarded only to those employees who are recognized for truly outstanding service to our mission. My advance congratulations.

As is customary, the Protocol Branch will be contacting you to arrange for the presentation of the medal. I hope Doie will be able to join you for the ceremony. I trust the two of you have returned rested but exhilarated from your grand tour en route home.
